ROBERT SPENCER HOSPITALITY

When we opened the doors to Workshop Eatery in the fall of 2015 we set about providing handcrafted cuisine & genuine hospitality. In the months, and years that followed the community embraced us and the warm & welcoming experience we delivered.

With the desire to grow in a way that complimented Workshop Eatery, in the spring of 2019 we turned the idea of Woodshed Burgers into a reality. We aimed to continue our philosophy, sourcing incredible local ingredients, and providing warm hospitality, but in a fun and very approachable environment.

In the fall of 2019 we looked to grow again, adding the Greenhouse Restaurants, by providing the food & beverage for three of Edmonton's city owned golf courses. By the spring of 2020, the world looked a little different, but that didn't stop this team from opening the clubhouse operations, maintain Workshop Eatery, and even add a second Woodshed Burgers location, in Edmonton's Ellerslie community.

Today, we are a resilient restaurant group, operating six establishments, employing over 100 of Edmonton's finest hospitality personalities, and doing our best to be a positive light in the communities we do business.

Whether it's a casual burger with family, date night with a loved one, a special family milestone, patio beers after a round of golf, or a one of a kind catered event, one thing is certain. You'll be sure to feel the difference in our handcrafted cuisine & genuine hospitality.

While refined, our cuisine is handcrafted, approachable and unpretentious. We will make just about everything, down to the jams, dressings and even our ketchup, in house.

All of our beef is fresh ground daily, our buns are baked by Bonton Bakery fresh every morning, and we make all of our condiments in house. #allkillernofiller

The menu offers easy grab n' go items for golfers or those taking advantage of the many activities taking place in the River Valley, but it also offers so much more.

Hayloft aims to raise the steaks to new heights, offering classic and unconventional cuts of beef, continuing our pursuit of ethical cooking, and working alongside our partner, Lakeside Farmstead.

A catered event is in the details, the effort that goes into planning, the care that goes into the meal, and the warmth of genuine hospitality. Let us be a part of your next special moment.
