HOSPITALITY

When we opened the doors to Workshop Eatery in the fall of 2015 we set about providing handcrafted cuisine & genuine hospitality. In the months, and years that followed the community embraced us and the warm & welcoming experience we delivered.

With the desire to grow in a way that complimented Workshop Eatery, in the spring of 2019 we turned the idea of Woodshed Burgers into a reality. We aimed to continue our philosophy, sourcing incredible local ingredients, and providing warm hospitality, but in a fun and very approachable environment.

In the fall of 2019 we looked to grow again, adding the Greenhouse Restaurants, by providing the food & beverage for three of Edmonton's city owned golf courses. By the spring of 2020, the world looked a little different, but that didn't stop this team from opening the clubhouse operations, maintain Workshop Eatery, and even add a second Woodshed Burgers location, in Edmonton's Ellerslie community.

Today, we are a resilient restaurant group, operating six establishments, employing over 100 of Edmonton's finest hospitality personalities, and doing our best to be a positive light in the communities we do business.

Whether it's a casual burger with family, date night with a loved one, a special family milestone, patio beers after a round of golf, or a one of a kind catered event, one thing is certain. You'll be sure to feel the difference in our handcrafted cuisine & genuine hospitality.
